# 5-YEAR PLAN CONSIDERTATIONS

## **Guiding Principles**

Reduce parking subsidy for transit services

Develop a more equitable balance of the cost of the Transportation and Parking System to all users of the System

Sufficient funding for Chapel Hill Transit over the 5-year planning period

## **Stakeholder Feedback for Strategy Development**

Consider night parking fees/permits to help fund system

No increases on UNC Healthcare patient/visitor rates (Dogwood, ACC, Hospital ADA)

Minimize increases to: Student Transportation Fees & Daytime Permit Holders

Adjust lowest parking permit salary scale from \$25K to \$29K
