5-YEAR PLAN CONSIDERTATIONS

Guiding Principles
- Reduce parking subsidy for transit services
- Develop a more equitable balance of the cost of the Transportation and Parking System to all users of the System
- Sufficient funding for Chapel Hill Transit over the 5-year planning period

Stakeholder Feedback for Strategy Development
- Consider night parking fees/permits to help fund system
- No increases on UNC Healthcare patient/visitor rates (Dogwood, ACC, Hospital ADA)
- Minimize increases to: Student Transportation Fees & Daytime Permit Holders
- Adjust lowest parking permit salary scale from $25K to $29K

5 YEAR PLAN FUNDING STRATEGY
FEEDBACK

COST

Employees that have daytime shifts that do not buy parking permits
Higher prices for guaranteed parking
Reconsider salary range structure
Future fee increases
A disincentive for Postdoctoral Fellows to return after 5:00 p.m. for teaching and research
Give postdocs graduate student fee permit rate
Occasional-Use options for temporary employees
General concerns relative to groups having to pay that have not paid in the past.

PERMIT

Departments purchase weeknight service permit
Manage shift overlaps
Daytime permits honored at night
Parking availability
Occasional use options
Weeknight access for daytime Employees without a daytime permit.
Reserved student weeknight residential parking.
Effect on state accessibility and UNC-D parking spaces.
Proximate parking areas designated for employees at night.

VISITORS

Management of proximate parking for visitors/events.
Departments purchase guest passes.
After hours management of parking for groups, such as Bowman Gray/Kessing for children’s swimming lessons.
Relocating permit holders for weeknight events.
Provide event schedules
Need additional ADA spaces available near performance venues during events.

GENERAL

Changes in parking demand on weeknights.
P2P transportation to bus stops on campus.
Late night transportation options
Educational period prior to issuing citations.
Communicating with user groups.
KEY FEEDBACK ISSUES

Daytime employees without a daytime parking permit who return to campus at night.

Weeknight event parking for performing arts, athletics, lecture series, et cetera.

Affordable occasional weeknight parking.
