Minutes

- I. Call to order: 3:02 p.m.
- II. Spring 2021 Updates
 - Outreach with representatives
 - Student fall 2020 permits honored until Dec. 31 (no action needed)
 - Significant waitlist releases for fall 2020; for semester only (unsure of spring 2021 ops)
 - Employee fall 2020 permits will be renewed for spring 2021; valid until July 31
 - Working with students, ensuring students understood there are multiple opportunities for permit registration
 - New waitlist for employees for spring 2021 opens Dec. 14
- III. Outreach schedule so far; working to get contacts for major organizational units
- IV. Parking Resource Management
 - Evaluate campus operations through outreach; understand and being responsible to unit needs
 - Determine parking availability
 - Ensure options to meet hybrid schedules (i.e. daily parking, reallocating resources to those who need it)
- V. Student Parking Registration Schedule
 - Worked with student representatives to develop schedule
 - Will communicate out soon
- VI. Transit for Spring 2021
 - P2P –
 - based on on-campus population and limiting riders in smaller vehicles, will likely need to run buses in spring
 - RR lot – likely on-demand service for spring (after CHT stops operating)
 - Library not operating (hours of service for library – P2P express available from area for transport)
 - On-demand continues; resumes Jan. 4
 - CHT –
 - Do not anticipate change in social distancing
 - Same 14 routes
 - Pilot program for GoTriangle G Route 405 for fare-free boarding
 - Regional
 - GoTriangle – continued normal service
 - PART – continued normal service (reduced midday)
 - Chatham – anticipated return to service Jan. 4 with adjustments

- Safe Ride
 - Depend on environment in January
 - Businesses downtown were closed
 - Safe Ride runs 11 pm – 2 am
 - Still early to make decision; will work with students
- Transit Safety Measures
 - Requirements by agency
 - CHT – improved air filtration system & UV light
- Communications Plan
 - Cheryl met with Roadmap Implementation Team (RIT)
 - Website
 - Advisory committee representatives
 - Parking Coordinators
 - Social Media
 - Direct email to permit holders (fall 2020 employee permits)

VII. Round Table

- Michelle – Will the student availability for the lottery be all in the first round?
 - Working on allocations now
 - Graduate population prefers all available in initial registration period
 - Concern for Hardship schedule
 - Student representatives developed hardship schedule
 - Student permit availability should not be an issue, more about preferred zone
 - Will the student allocation remain the same?
 - Will likely be higher than fall
 - On-campus demand for residential students will also increase
 - Will make parking available anywhere we can
- Chris – Expanding isolation / quarantine numbers for spring 2021.
 - Use Carolina Livery to supplement services
 - Working with Housing
 - Will be prepared for additional capacity for campus health/off-campus support
 - Max 3000 student for on-campus capacity
- John – Construction projects for the spring?
 - Surgical Tower / Hospital Generator Plan
 - Media Center (Hanes Lot)
 - Do not anticipate any large capital projects in the near term
- Chris – Project at SASB
 - Jill Coleman will reach out
 - Infrastructure – storm water management
 - National Panhellenic Plaza
 - Staging for parking

- Pedestrian flow
 - Location for food trucks – Scott Myers to coordinate – confirm whether need for food trucks at that location
- Martha – waiting on SOM plan for return, aligning with UNC Health; also examples for other MOUs for allocations
- Allan
 - Priority deadline for students living on campus in spring was Sunday
 - Currently 900, additional 1611 applications (~2500 for spring, includes Granville)
 - 400 at SFH Baity Hill
 - Continue accepting applications until move in, and can cancel
 - Completed break housing survey, ~315 staying over break (staying where they are, largely Carmichael and rams village)
 - Question from Laura Pratt
 - What is the ceiling of students on campus?
 - Only single room, ~3700 on main campus plus Granville plus Baity Hill
 - Question from Cha'ssem
 - Re-entry testing for students?
 - Encouraging students to test before they go come
 - Returning, 5 days before returning, then weekly – more details to come soon for campus
