Chapel Hill Transit Update

- **Current Services:**
 - On certain routes, with high percentage of face covering utilization, 16 passengers (regular-sized buses) or 21 passengers (larger, articulated buses) may be allowed on the bus
 - Update website and signage on buses
 - Anticipate these limits for planning related to service in January (dependent upon the guidance provided by health officials for that timeframe)
- **January Service (scenario A):**

Continue August 2020 service plan, with October adjustments, capacity limits due to safety concerns, and includes additional trippers on high-frequency routes

 - Reduced Weekday Service: Routes - A, CL, CM, CW, D, FCX, J, HS, N, NS, NU, RU, S, U, Senior Shuttle, 420 and Demand Response
 - Weekend Service: A, CM, CW, D, J, N, NS, NU, U and Demand Response (No Safe Ride Routes)

Safe Ride

Safe Ride is a late-night service (Thursday – Sunday, 11 pm – 2:30 am) that provides transit to and from Franklin Street and local off-campus student house along the G, J, and T Route.

Fall 2020 – Services Suspended

- Based on social distancing and the need to redeploy assets for daytime commuting demand, Chapel Hill Transit was unable to provide Safe Ride for Fall 2020
- UNC T&P contracted with Carolina Livery to provide Safe Ride Services for Fall 2020 with zero (0) ridership

Scenario I:

Spring 2021 similar to Fall 2020 operations / campus population: Continue current services

Scenario II:

Spring 2021 increased campus population / student activity / local business open beyond 10 pm (current state executive order)

Coordinate with student leadership representatives closer to start of spring semester based on changing business operations

Regional

T&P meets with regional providers and will update as agencies determine operation impacts based on changing conditions

GoTriangle

- No service adjustments for fall 2020
