Parking Space Distribution
23,341 total spaces

- Surface Lots: 14,539 spaces
- Decks: 9,090 spaces
- Service/Reserved: 4,963 spaces
- Hourly & Visitor: 3,293 spaces
- Employees: 11,670 spaces
- Students: 3,415 spaces
The initial Transportation Impact Analysis for the 2001 UNC Development Plan was submitted to the Town in accordance with the requirements of the Town of Chapel Hill’s Office/Institutional-4 (01-4) Zoning District regulations.

The TIA, and subsequent updates, provides an assessment of the transportation implications of the Development Plan and develop mitigation measures to address any impacts related to automobile traffic, transit, parking, bicycle and pedestrian traffic, and associated air quality issues.

To meet projected growth, the Development Plan allows only 1,550 net new parking spaces with all other growth met through alternative modes of commuting that include:

- Transit (local and regional)
- Parking and Ride
- Bike and Walk

UNC maintains a receipt-supported parking and transportation operation pursuant to North Carolina General Statute – GS 116.1.6.

UNC adopts an Ordinance Regulating Parking and Transportation annually and this is the regulatory document that establishes regulations and fees for the parking system.

UNC’s Board of Trustees have final authority on changes to the Ordinance.

Fine revenues, excluding a 20% allowance for operating cost, are transferred to the state for K-12 funding.

The 5-Year Plan provides a projection of revenues and expenses to develop funding strategies in order to support the system.

Five-Year Plan

Every five years Transportation and Parking partners with campus representatives on the ACT, Executive Sponsors Group, and a consultant team to develop a new plan that:

• *Engages with the University community* through outreach efforts
• *Evaluates* existing operations and technology and *identify efficiencies* and opportunities
• Develops strategies to *address University and UNC Healthcare development* and programmatic growth
• Ensures that necessary revenue is in place to *support the existing and near-term transportation system costs*
Five-Year Plan Look Back

Previous Plan Engagement Themes:

• Bicycle infrastructure and amenities
• Pedestrian safety
• Roadway usage and prioritization
• Management of moped and scooter use
• Understanding “customer” data to maximize existing resources
• Investment in enhanced technology
• Impact of the distributed services model
• Potential for implementation of weeknight parking
• Integration with private parking providers
• Improved transit options and communication about options
Five-Year Plan Look Back

Programmatic System Changes:
- Parking Access Revenue Control System (PARCS)
- Weeknight Parking
- Variable Message Signs
- Bike Share
- LED Lights
- P2P – TransLoc
- Campus Bird
- Increased the lowest salary range from $29k to $32k for increased cost of living salary changes
Five-Year Plan Look Back

**Capital Growth:**
Additional parking 800 spaces planned
- 180 Business School Deck (under construction)
- 100 Rosemary Deck (under construction)
- 6% annual growth in transit support (COVID impacts)
Five-Year Plan Look Ahead

Key Plan Drivers

• Meet University and UNC Health Transportation Needs

• Equity and Resource Management
  • Allocation Policy
  • Pricing Structure
    • Salary Scale
    • Gated vs Non-Gated
    • Work from home

• E-Bikes, Micro-mobility, Autonomous Vehicles

• Electric Fleet
The 5-Year Plan Process Timeline

**Launch 5-Year Plan**
- ACT meetings – collaborative campus-wide participation in Plan development
- Exec. Sponsor Group meetings – campus leadership review of work

**Feb. 2023**

**Data Collection & System Evaluation**
Gather and synthesize existing data, update and establish guiding principles, evaluate system performance

**Feb. June 2023**

**Outreach**
Engage the University community through focus groups, town halls; work directly with campus representatives that participate in ACT for a campus-wide perspective

**Jan. 2023 May 2024**

**Recommendations**
Develop short- and long-term objectives and strategies and identify Key Performance indicators

**Sep. Nov. 2023**

**Financial Plan**
Develop a financial plan and fee structure strategy to support system for the 5-year period

**Feb. Nov. 2023**

**Update Ordinance**
Update changes in fees and policies

**Apr. 2024**

**Approval & Adoption**
Presentation to BOT for Ordinance approval

**May 2024**
Guiding Principles

• **Guiding Principle 1:** Provide adequate and safe access for all who need to come to campus.

• **Guiding Principle 2:** Encourage sustainable multimodal transportation options for all users of the system.

• **Guiding Principle 3:** Support the Campus Master Plan by coordinating transportation and parking needs with the land use, open space, and programmatic objectives of the physical master plan.

• **Guiding Principle 4:** Transportation and parking operations will remain solely self-funded and receipt supported.
Guiding Principles – Supporting Practices

• Maintain adequate on-campus parking for visitors and patients.
• Maintain commitment to partnership with the Towns of Chapel Hill and Carrboro in the operation of the Chapel Hill Transit fare-free system.
• Maintain commitment to promote use of Triangle Transit and other regional transit options for access to the main campus.
• Reduce the current parking subsidy for transit services over the 5-year study period.
• Develop a more equitable balance of the cost of the Transportation and Parking System to all users of the System.
Plan Outreach & Engagement

Principles of Engagement:
• Create an environment where stakeholders are being heard
• Empower stakeholders to share feedback openly and honestly
• Acknowledge that stakeholder groups interact with the system in very different ways
• Gather feedback from various stakeholders that represent the different users of the system
Plan Outreach & Engagement

- **Goal: Inform, Educate, and Listen**
  - Key Staff / Consultant Actions:
    - Project Website
    - Campus Survey
      - Launch week of 3/28
    - Begin Targeted stakeholder meetings
      - April 19th-21st
Plan Outreach & Engagement

• **Goal: Inform, Listen, and “Close the Loop”**
  • Key Staff / Consultant Actions:
    • Pop ups/Open House
    • Regroup with targeted stakeholders

- **Spring 2023**
- **Fall 2023**
- **Ongoing**
